## BEFORE THE ARIZONA CORPORATION COMMISSION

W-02234A-07-0027

IN THE MATTER OF THE APPLICATION  
OF H2O, INC. FOR ADDITIONS TO ITS  
TARIFF FOR LARGER SIZE METERS

DOCKET NO. W-02234A-06-\_\_\_\_\_

APPLICATION FOR TARIFF  
ADDITIONS

1. On May 27, 1994, the Commission issued Decision No. 58641 authorizing H2O, Inc. ("H2O" or the "Company") to charge certain rates and charges for its water service. The authorized rates were for meter sizes up to and including 2" meters. That Tariff has been in effect since June 1, 1994.

2. Although primarily serving a residential area, the Company has recently entered into Line Extension Agreements for certain commercial projects that will require service from larger meters.

3. The Company is in need of Commission approval for this new, and heretofore not provided, service. This includes 3", 4", and 6" meter Monthly Minimum Charges and Service Line & Meter Installation Charges for those larger meters.

4. Attached as Exhibit A and incorporated herein by this reference for all purposes, is the Company's existing Tariff, with the proposed new rates and charges inserted and marked.

1 The Commodity Charges for the proposed Meter sizes would be the same as for all existing  
2 metered service. Also attached is an unmarked copy for Staff's approval.

3 5. The proposed Charges are based on the existing approved rates, factored up by the  
4 NARUC approved flow rates for various meter sizes.

5 6. The Company has simultaneously submitted a Curtailment Tariff under separate  
6 cover as a distinct docket number.

7 7. The Company requests that this Tariff be reviewed and approved pursuant to  
8 A.R.S. §40-367 without an evidentiary hearing.

9 WHEREFORE, the Company respectfully requests that the Commission review and  
10 approve the enclosed Tariff and thereafter provide a conformed copy to the undersigned for  
11 distribution to the Company.

12 Respectfully submitted this <sup>PM</sup>16 day of January, 2007
